Exhibition Floor Plan

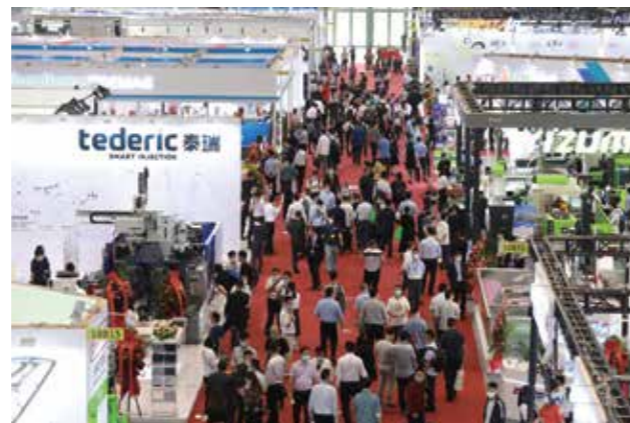

Keep Abreast of the Times Highlight Industry Hottest Topics

Despite the spread of global pandemic, DMP Greater Bay Area Industrial Expo was grandly held during November 24-27, 2020 in Shenzhen International Convention & Exhibition Center (Bao'an, New Hall).

The event was established to provide a high-level platform for the global manufacturing industry vendors and experts to showcase their innovative achievements and foresee potential prospective development. It was also set to reveal to the world how persevering and vital the manufacturing industry is in China.

In every edition, important achievements of the industry are announced for the very first time at DMP Greater Bay Area Industrial Expo. Meanwhile, practicality is always prioritized. The recovery and collaborative development of the entire industry are revealed. Important industry updates, including latest products & technologies, breakthroughs in Industry 4.0, robotics and industrial internet, are displayed at the show. Brand new products & technologies are showcased for the very first time, just at the exhibition, including Intelligent Factory Empowered by 5G+ Unmanned Production Line, Transparent Factory for Household Appliance Industry Cluster, 5 Axis CNC Machining, High-end Imported Machine Tools, Robotics, Black Technology on Cutting, etc... All different state-of-the-art technologies & innovations have driven all attention to brand new insight on the "foreseeable future".

Exhibitors Comments

01

Beijing Fanuc Mechatronics Co. Ltd.
Mr. Qin Nan, Marketing Director

DMP Greater Bay Area Industrial Expo has been devoting to providing important technological information of industry. It is an excellent platform for technology exchange and many visitors actively interact & conduct discussion with our staff during the exhibition. We are also contented with the pre-exhibition preparation and onsite service of the Organizer.

02

Tencent Cloud Intelligent Manufacturing
Mr. Liang Anding, General Manager

DMP Greater Bay Area Industrial Expo is one of the important gathering opportunities for the industry. The exhibition's organization and traffic are nice. We are truly impressed with the professionalism and market sense of the exhibition. Hope that the exhibition could continue to closely follow the hottest topics of the advanced manufacturing industry and enhance the technology level for greater success!

03 Carl Zeiss Shanghai Co. Ltd.
Mr. Hu Songjie, Regional Sales Manager

We have been participating exhibitions held by Paper Communications Exhibition Services for many years. It has indeed effectively increased fame & reputation of our brand. We are grateful to the great support and assistance of the Organizer throughout all these years of development and companionship. Hope that DMP Greater Bay Area Industrial Expo will continue to grow on its success and influence!

04 Beijing Jingdiao Technology Co., Ltd.
Mr. Liu Xuesong, General Manager

DMP Greater Bay Area Industrial Expo has been well-recognized with its accountability towards the clients and the industry. We are again satisfied with the professionalism and thoughtfulness of the Organizer. China manufacturing industry is in need of exhibition like this. We look forward to further cooperation between the exhibition and the enterprise in order to facilitate the industry development in China.

05 GSK CNC Equipment Co., Ltd.
Mr. Zhu Kongfeng, Deputy Chief Engineer

DMP Greater Bay Area Industrial Expo is an authoritative exhibition platform of the industry, assembling numerous brands & vendors. The reason why we choose to participate at this event is the sincerity the Organizer has always been serving for the exhibitors. We believe that this event will be held with greater success and we shall be supporting it for long.

06 Shanghai Kraussmaffei Machinery Co., Ltd.
Mr. Yuan Yiping, Deputy CEO,
Extruded Products Business Department

The online & offline pre-exhibition promotion has been nicely conducted and our target customer groups are concisely connected through different exhibition channels. This enables fulfillment of our expectations during the onsite exhibition. We consider it as a partner which is worth long-term collaboration.

07 Shenzhen DNE Laser Science & Technology Co., Ltd.
Ms. Xu Hongmin, Deputy General Manager

The Organizer has been truly supportive to us with excellent service attitude. This show has been effectively promoting through lots of channels at the perfect time. All the invited visitors match with our target ones. With close follow-up action after the exhibition, it has further reinforced our corporate image.

08 Guangdong Topstar Technology Co., Ltd.
Mr. Yang Shairu,
Deputy CEO of Sales & Marketing

The professional service and thoughtful arrangement by the Organizer have enabled such a fabulous exhibition to come to stage. The number of visitors, scholars and experts assembled at the exhibition are amazing. We, as an exhibitor, have attained impressive achievement in introducing our products and promoting our brands. We would like to express our gratitude to the massive promotion campaign & support of DMP show in accomplishing our goals for exhibiting.

09 Zhuzhou Cemented Carbide Cutting Tools Co., Ltd.
Mr. Wang Wei, Business Development Manager

We are pleased with the hospitality & full support of the Organizer throughout participation. We have had a fruitful success at the exhibition. The quantity and quality of visitors are great. Hereby, we would like to praise the Organizer for their full support and help! We also look forward to continual & further cooperation with the exhibition!

10 Guangzhou Haozhi Industrial Co., Ltd.
Mr. Meng Zhiguo, Marketing Director

The overall operation and planning of the exhibition are outstanding. The Organizer has shown both enthusiasm and care. They always try their utmost in arranging the best to cater for our needs. This shows the professionalism of the Organizer. Indeed, we have had a great success at the exhibition. Hereby, we would like to convey our appreciation and affirmation to the Organizer for such an excellent exhibition.

Exhibition Influence

To further enhance exhibition significance and maximize its effectiveness, extra attention and efforts have been paid towards the organization of professional visitors and exposure of DMP Greater Bay Area Industrial Expo 2020.
